

Type 2 Beanie Pattern - The Magic yarn Project

We only use SOFT yarn for these beanies. Keep in mind that not all yarns are created equal. For example, “Red Heart with Love” yarn is thicker (worsted weight) and will probably take a J hook to create good stitch spacing and tension with the beanie (as per pattern). “Caron Simply Soft yarn” is thinner and will probably require a smaller hook like an H or I to create a beanie with tight-enough stitches and tension.

Yarn: Red Heart with Love

Hook: 5.50 mm (I)

Gauge: 3 sts per inch / 2.75 rounds per inch

Colors: Black , Maroon and Blues/purple/fuchsia, white and blue/teal, & dark red.

(For Jasmine, Anna, Elsa Beanie, and Captain Jack Sparrow)

- Soft yarns only
- **Half double crochet pattern may be used.** Make sure the stitching is tight, as we do **not** want them to appear “hole-y” and want the beanies to help keep girls’ heads warm. *For those who crochet loosely, a single stitch may need to be used instead of a half-double.*
- **Please try your beanie on a child** or a foam mannequin head that can be purchased at JoAnn’s for \$5. Make sure that the brim is not too tight or loose so that the beanie will fit comfortably over a little one’s head. We want to make sure that our beanies will fit our girls’ heads comfortably and as perfectly as possible :)

- The Elsa and Anna beanie style wigs (pictured on website) allow for some creative styling in using different colors and we encourage only skilled crocheters to make these beanies. These beanies remain bare with yarn attached to the bottom to create an illusion of braids flowing from underneath the beanie. We attach crocheted flowers to the Anna beanies and crocheted snowflakes to the Elsa beanies.
- Beanie should measure from 7 inches long, from crown to brim, when laid flat (see pic above).

6-10 years (fits 21" circumference, 7" height)

R1: 8 hdc in adjustable loop [8] R2: 2 hdc in each st around [16]
 R3: (2 hdc in 1st st, 1 hdc in the next st) 8 x [24] R4: (2 hdc in 1st st, 1 hdc in each of the next 2 sts) 8x [32] R5: (2 hdc in 1st st, 1 hdc in each of the next 3 sts) 8x [40] R6: (2 hdc in 1st st, 1 hdc in each of the next 4 sts) 8x [48] R7: (2 hdc in 1st st, 1 hdc in each of the next 5 sts) 8x [56] R8: 1 hdc in each st around [56] R9-18: repeat R8 [56] R19^{*}: 1 sl st (loosely) in each st around, F/O [56]

*You may choose to finish the beanie without the slip stitch at the bottom. The Magic Yarn Project will weave in an elastic band to ensure a good fit. Slip stitch or not, make sure your beanie is 7in long from crown to brim.
