

Rapunzel

Yellow Beanie – Large Flower Instructions
Updated September 4, 2023

General Supplies

- ☐ Silk/Fake flowers in purple or lavender about 4-5 inches across
 - Paper flowers will deteriorate if they get wet and should NOT be used!
 - Flowers that work well: Sunflowers, Gerbera daisies, Hibiscus
 - Do NOT use bulky flowers that will not lay flat (examples: roses, lilies, peonies, chrysanthemums)
- ☐ Flatback gems in clear. (No glass pebbles.)
- ☐ Mini Glue Gun and Glue Sticks

Assembly Instructions

- ☐ Take flowers off stems and remove all plastic backings and centers so the flowers can lay as flat as possible when glued on the wigs.
Magical Tip: The 2-3 inch leaves left over from Rapunzel's Gerbera Daisies are perfect to send in for Moana. If they are larger than 3 inches, please discard. Do NOT add leaves to Rapunzel.
- ☐ Layer the flowers to create a beautiful flower in shades of purple and lavender
- ☐ Glue 3-4 flower layers together with hot glue.
- ☐ Bedazzle centers with one clear flatback gem.
